

SPR FARM

grow · learn · play

SCHOOL FARM EXPERIENCE

Hello, little farmers!

A Different Kind of School Day

Explore, discover and learn at SPR Farm — a hands-on educational experience on a real, family-run working farm.

20 acres
Coconut palms, paddy fields and fruit trees

Real animals
Cows, calves, hens and ducks

Hands-on
Children do the work, not just watch

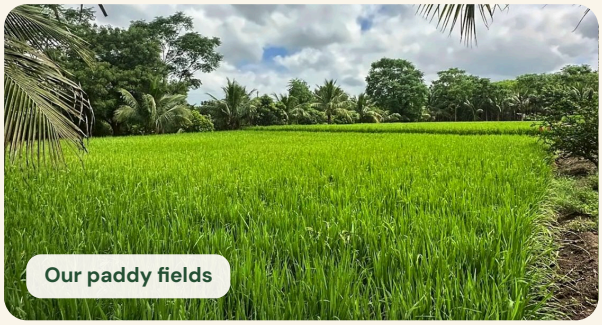

Shankarpally
Hyderabad, Telangana

WELCOME TO SPR FARM

Where learning *meets nature*

Many children have never touched a calf, held a warm egg or seen where their rice grows. SPR Farm is a family-run, 20-acre working farm in Shankarpally — shaded coconut avenues, green paddy fields, fruit trees and friendly farm animals. We open it to schools so children can learn the way they learn best: by doing.

Little visitors, gentle calves

Our paddy fields

Tree plantation

WHAT CHILDREN LEARN

01
Food & agriculture
Where eggs, milk, rice and coconuts really come from.

02
Animal care
What farm animals eat, how they live and how we look after them.

03
Soil & seeds
How healthy soil and a tiny seed grow into the food we eat.

04
Water & sustainability
Irrigation, composting and why nothing on a farm goes to waste.

05
Biodiversity
Trees, birds, insects and leaves — observed up close.

06
Teamwork & confidence
Shared tasks, outdoor games and a little bit of brave.

Every visit begins with fresh tender coconut water — from our own palms.

A farm welcome, the way it should be.

THE DAY AT SPR FARM

A morning full of *firsts*

Children move in small groups through activity zones, so everyone gets a real turn. Visits run any time between 10 AM and 4 PM, planned around your school's schedule.

1
Arrival & welcome
Buses drive in. Tender coconut water and a Farm Passport for every child.

2
Guided farm walk
Through the palm avenues to the paddy fields.

3
Activity rotations
Small groups rotate through the six zones, collecting stamps.

4
Wash up
Soap-and-water handwashing after the animal zones.

5
Farm treats
Seasonal farm fruits and local candies made from farm produce.

6
Farm games
Basket-carry race, jute sack jump and team challenges.

7
Reflection circle
Children share what they discovered today.

8
Certificate & gift
A Little Farmer certificate and a seed ball to plant at home.

Half day Welcome, farm walk, 3–4 activity zones, farm treats and certificates.

Full day All six zones, farm treats, farm games and reflection circle.

THREE PROGRAMMES, MADE FOR EVERY AGE

PRE-PRIMARY – CLASS 2

Little Sprouts

- Meet and feed the farm animals
- Egg observation and collection
- Sensory nature walk
- Water plants and sow seeds
- Mud and leaf painting

Nature through the senses — touch, smell, see and play.

CLASS 3 – 5

Young Farmers

- Plant and name your own sapling
- Compare soil types
- Composting with cow dung and leaves
- Explore paddy cultivation
- Pottery and traditional tools

How farming works and how food reaches our plates.

CLASS 6 AND ABOVE

Farm Scientists

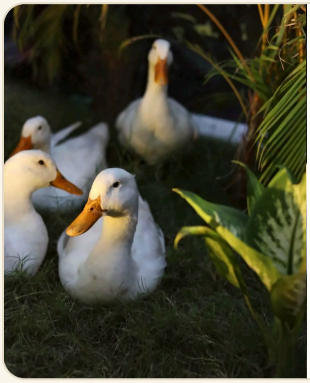

- Soil-in-a-jar experiment
- Irrigation and water studies
- Crop cycles and seasons
- Biodiversity survey of the farm
- Field journal project

Agriculture connected to science, maths and sustainability.

ACTIVITY ZONES

Six zones, *one big adventure*

Each zone is led by a farm guide, with feed cups, baskets, picture cards and handwashing ready.

ZONE 1

Feathered Friends

DO

Feed hens and ducks, collect eggs in a basket, play picture matching

LEARN

Where eggs come from and how birds are cared for

ZONE 2

Cow Corner

DO

Feed fodder to cows and calves, watch and try hand milking with a guide

LEARN

How milk is produced and how animals are looked after

ZONE 3

Soil Discovery

DO

Feel sand, clay and farm soil; soil-in-a-jar; turn dung and leaves into compost

LEARN

Why healthy soil matters and how waste becomes food for plants

ZONE 4

My Little Farm Plot

DO

Sow seeds, water a farm bed and plant a sapling with a name tag

TAKE HOME

A seed ball to plant at home

ZONE 5

Nature Detective Trail

DO

Find five different leaves and a flower, spot birds, make leaf prints

LEARN

Trees, birds and insects that share the farm

ZONE 6

Traditional Farming & Craft

DO

Shape a clay pot, try mud painting, handle the plough, baskets and grain-sorting trays

TAKE HOME

Their own clay creation

Animal activities such as egg collection and milking depend on the animals' routine on the day. Seasonal activities — paddy transplanting, harvest and fruit plucking — are included when in season.

Little Farmer Passport

Every child gets a passport booklet with animal and leaf challenges, space for drawings, a stamp at every zone — and a Little Farmer certificate at the end.

Adopt-a-Tree

Each class plants and adopts a sapling that stays tagged on the farm. We share photo updates as it grows — a reason to come back and see it.

FOR PRINCIPALS & SCHOOL MANAGEMENT

Why schools *choose SPR Farm*

A field trip has to earn its place in the school calendar. Every SPR Farm visit is planned as a learning day with clear outcomes — not just an outing.

Experiential learning
Supports the hands-on, experiential learning encouraged by the National Education Policy (NEP) 2020.

Curriculum-linked
Activities connect to Environmental Studies, Science, Social Studies, Maths and Art.

Age-appropriate
Three distinct programmes, from pre-primary to Class 6 and above.

Safe & supervised
Small rotating groups, a farm guide at every zone and clear animal-handling rules.

Easy to reach
An easy half-day or full-day trip from the city.

Planned with you
Programme and timings are agreed with your teachers before the visit.

THE VISIT AT A GLANCE

Location	SPR Farm, Shankarpally, Hyderabad · school buses drive into the farm
Formats	Half day or full day, any time between 10 AM and 4 PM
Age groups	Pre-primary to Class 2 · Class 3 – 5 · Class 6 and above
Group management	Children rotate through six zones in small groups; we recommend one teacher for every 10–12 children
Farm treats	Tender coconut water on arrival, seasonal farm fruits and local candies made from farm produce. Meals are not included; they can be arranged on request
Facilities	Toilets, handwashing points, safe drinking water, covered sheds and shaded areas
Safety & emergency	First-aid kit on site; hospitals within 2–3 km of the farm
We provide	Farm guides, all activity materials, Farm Passports, Little Farmer certificates and take-home seed balls
The school provides	Transport, accompanying teachers, parent consent forms and a list of children with emergency contacts
Quotation	A customised quotation for each school, based on class size and programme

Before
A planning call with your teachers and a Teacher Information Sheet with objectives and a checklist.

During
A structured day: welcome, guided rotations, farm treats, games, reflection and certificates.

After
Classroom follow-up ideas and photo updates of the class's adopted tree.

SAFETY, FACILITIES & BOOKING

Safe, clean *& well looked after*

Small groups
Children rotate in small batches with a farm guide at every zone.

Animal protocols
Animals are always handled by experienced farm staff; children interact only under guidance.

Handwashing & water
Soap-and-water points after every animal zone and before eating; safe drinking water.

Clean toilets
Child-friendly restrooms on site.

First aid
A stocked first-aid kit on site throughout the visit.

Emergency care
Hospitals within 2–3 km of the farm.

Rain or shine
Covered sheds and shaded areas keep the day running in any weather.

Allergies
Share any food allergies in advance — farm treats are planned around them.

Teachers' role
Teachers stay with their groups; our team runs the activities.

Celebrate with us too
SPR Farm also hosts birthday parties, family days out and community group visits — with bonfire evenings, farm games and farm photo shoots.

WHAT CHILDREN SHOULD BRING

- Cap or hat
- Water bottle
- Comfortable closed shoes
- A spare set of clothes
- A small towel
- Sunscreen

BOOK A VISIT

Plan your *farm day*

01 Share your preferred dates, class size and age groups

02 Choose the programme and zones with us

03 Confirm the booking and transport details

04 Bring the children — we take care of the rest
